Some dens plan communal meals for Saturday dinner.

*BSA policy restricts the use of alcohol at all cub scout campouts. Please refrain from bringing it.

- Place each day's clothes in a plastic bag.
- Line your bag with a large trash bag if there is a chance of rain.
- *Only Cub Scouts that have earned the whittling chip (Bear and older) are allowed to bring pocketknives (to be used only under adult supervision) The scout must have the card in his possession.
